

Curriculum Vitae

1) Personal Information

Full Name: Abebe Hailemariam

2) Educational Back ground

2.1 Under Graduate Studies:

1979 – 1982 Addis Ababa University, Faculty of Science, Major Biology, Minor Chemistry

Award: BSc in Biology

2.2 Post Graduate Studies

1999 – 2000 Addis Ababa University, Faculty of Science, Specialization: **Insect Science and its Applications. Award: MSc in Biology (Entomology)**

2.3 Higher Diploma Studies 2004 Hawassa College of Teacher Education Affiliated with Dilla University

Award: Higher Diploma for Teacher Educators in Modern Teaching Methods and other curricular issues

3) Work Experience:

3.1 As Secondary School Teacher: 1983 -1985

3.2 As Secondary School Director: 1986 – 1995

3.3 As College Instructor: 1996 – 2010

3.4 Dean of Students, HCTE, 2003 – 2006

3.5 As University Lecturer and module team leader, at HU 2012--2015

Total Work Experience: 33 Years

4) Other Responsibilities and Trainings offered

4.1 Department Head, Biology and Natural Sciences: 4 years including current year

4.2 Environmental Protection Club Coordinator: 2008 – 10

4.3 HIV AIDS and Gender Mainstreaming Unit Member: 2007 – 10

4.4 Board Chair Man, Basic Environmental Education for all Communities Association (BEECA), SNNPR

4.5 Staff Development and Practicum Unit Coordinator, HCTE: 2005 – 06

4.6 Training Coordinator and Facilitator for Mitigation and Adaptation of Climate Change organized by CONCERN Ethiopia and Forum for the Environment, May 2010

4.7 Coordinator, Volunteer Teachers in FGAE, Southern Branch.

- 4.8 Team Leader, Preparation of Strategic Plan of HCTE 2005
- 4.9 Member of PTA (parent-teacher association) of SOS, Herman Gamier School, at Hawassa.
- 4.10 Coordinator of college exam.committee from 2008-2010.
- 4.11 Trained primary school head teachers', supervisors and subject teachers' in the implementation of practicum courses (Mentoring) for three consecutive years (2009-2011).
- 4.12 Trained Biology Teachers' in linkage schools on subject methodology and Laboratory/practical works.
- 4.13 Coordinator of educational exhibition prepared by the college on a regional level organized by SNNPR educational bureau(2011).
- 4.14 Organized the college Environmental club and conducted a number of workshops and seminars related to the current climate change, supported by the college and others concerned parties for Environmental organizations (2010,2011).

- 5.17 Currently serving as volunteer &board member in the Family Guidance Association of Ethiopia (FGAE), southern branch.
- 5.18 Attended Biofarm Training school with certification from ACP secretariat, Addis Ababa, September 2014

6) Development of Publications, Teaching Materials and Other Documents.

6.1 Publication: *Studies on the Reproductive Status, Catch and Age Composition of the Tsetse Fly Populations in the Nechisar National Park in Southern Ethiopia. SINET: Ethiop.J.Sci. 28(1):51-60, 2005.*

**6.2 Preparation of Club Management & Strengthening material for college instructors and students
Sponsored by USAID/IQPEP Gender component, June, 2010.**

**6.3 Preparation of training materials in content based biology teaching for secondary school teachers as
organized by Hawassa University research and community service directorate (May,2015)**

6.3 Research articles Includes:

6.3.1 The prevalence and type of Gender based Violence among college students at Hawasa town (2008)

6.3.2 Retrospect and Prospect of HCTE in the new millennium (2007).

**6:3:1 Prevalence of Bovine Trypanosomiasis and distribution of tsetse flies in the southern rift valley of
Ethiopia.The case of Loka Abay woreda of Sidama Zone(On progress 2015-2016)**

6.4 Module Writing & Editing since 2007 includes:

- General Biology(Biol.101)
- Int.to Vertebrate Zoology (Biol.222)
- Health Science(Biol.333)
- Intro.to Plant Physiology(Biol.311)
- Subject Area Methods(TE.Bi. 242)Distance modality
- Int.to Invertebrate Zoology (Biol.221)
- Intro. to Genetics(Biol.331)
- Intro.Microbiology &Biotechnology (Biol.232)
- Intro.to Cell Biology(Biol.132)
- General Biology lab. Manuel
- General Entomology lab. Manuel for biology majors(Degree Program)
- Applied Entomology lab. Manuel for biology majors(Degree Program)

- Human anatomy & Physiology lab. Manuel

6.5 Textbook Preparation:

- Environmental Education, Grade 3, 1997 (SNNPR – Education Bureau)
- Content analysis for Grades 7 & 8 Biology syllabus, 1996-7

6.6 Technical Document preparation

- Environmental Education and Health for Kalehiwot Church Project, 2005
- Training material : Mentoring Principles and practices for primary school teachers' HCTE, 2009-10
- Review: Harmful traditional practices and HIV/ AIDS for National Committee of HTPs, 2001
- Preparation of Laboratory manual for the courses of General Entomology & Applied Entomology at Hawassa University in the department of Biology
