Regards

Delenasaw Yewhalaw (PhD)
Head, Tropical and Infectious
Diseases Research Center

Minutes on pre-selection of candidates for Erasmus+ Mobility Project Scholarship

Date: 26-05-2021

Venue: Tropical and Infectious Diseases Research Center, Jimma University

Agendum: Pre-selection of candidates for Erasmus+ Mobility Project scholarship for postgraduate students of the Tropical and Infectious Diseases PhD program, Jimma University

Selection committee members

1. Dr Ahmed Zeynudin: Chair
2. Dr Zewdie Birhanu: Member
3. Mr Beka Raya: Secretary

The above selection committee members of Jimma University set the following criteria before selection was made, the criteria include:

- Admitted year less than or equal to 2 years
- Academic background
- Relevance of the training to candidate's work
- Publications related to the area

Around 14 applicants submitted their CV, Publications, and Credentials along their 1st year registration slip in TID PhD program at Jimma University. Each member of the committee received a hard copy of the applicants' document from the Tropical and Infectious Diseases Research Center. After each committee members rated the documents independently, the points given by all the committee members was rated and computed out of 100%. Accordingly the following candidates were assessed by the working committee and the overall score for each applicant is indicated in Table 1 below.
