

# Curriculum Vitae

Rosa Maria Lipsi

---

## GENERAL INFORMATION

---

- Nationality**      • Italian
- Office address**   • ISTAT  
Via Balbo, 39 - 00184 Rome, Italy  
e-mail: [lipsi@istat.it](mailto:lipsi@istat.it)
- University of Molise,  
Via De Sanctis - 86100 Campobasso, Italy  
e-mail: [rosamaria.lipsi@unimol.it](mailto:rosamaria.lipsi@unimol.it)

---

## EDUCATION

---

- 2005      • **Ph.D. in Demography** (Italian Research Doctorate), University of Rome “La Sapienza”. Thesis title: *Convergence or Divergence of Elderly Mortality Characteristics at the End of the Millenium? Some International Comparisons*. Supervisor: Prof. G. Caselli (University of Rome “La Sapienza”).
- 1999      • **Degree in Statistical and Actuarial Sciences**, University of Rome “La Sapienza”. Dissertation (in Demography): *The future of survivor pension incomes regarding the social and demographic changes. An estimation of widows/ers' pensions to compute the legislated coefficient, or conversion factor*. Supervisor: Prof. G. Caselli (University of Rome “La Sapienza”).
- 1985      • **Linguistic high school “Marcelline”, Foggia - Diploma**

---

## JOB HISTORY

---

- 09/2010-present   • **Researcher, ISTAT** — Italian National Institute of Statistics, Directorate for methodology and statistical process design.
- 11/2008–09/2010   • **University of Rome “La Sapienza”, Italy**  
Research Associate, Department of Statistics
- 03/2010             • **Max Planck Institute for Demographic Research, Rostock, Germany**  
Visiting Researcher, Laboratory of Survival and Longevity
- 11/2006–10/2008   • **University of Rome “La Sapienza”, Italy**  
Research Associate, Department of Demographic Sciences
- 05/2007             • **Max Planck Institute for Demographic Research, Rostock, Germany**  
Visiting Researcher, Laboratory of Survival and Longevity

- 07/2007 • **Max Planck Institute for Demographic Research, Rostock, Germany**  
Visiting Researcher, Laboratory of Survival and Longevity
- 10/2007 • **INED, Paris, France**  
Visiting Researcher
- 01/2006–09/2006 • **University of Rome “La Sapienza”, Italy**  
Statistical Research Assistant, Department of Demographic Sciences
- 02-03/2003 • **Max Planck Institute for Demographic Research, Rostock, Germany**  
Doctoral Fellow, Laboratory of Survival and Longevity
- 11/2003 • **INED, Paris, France**  
Doctoral Fellow
- 2002–2005 • **University of Rome “La Sapienza”, Italy**  
Statistical Research Assistant, Department of Demographic Sciences
- 2001 • **Institute for Population Research – National Council of Research (IRP-CNR), Rome, Italy**  
Study and Research Scholarship
- 03/2000–12/2000 • **University of Rome “La Sapienza”, Italy**  
Statistical Research Assistant, Department of Demographic Sciences

---

## **TEACHING**

---

### Undergraduate

- A.A. 2018-2019 • *Statistics for tourism* (6 CFU), (Termoli, Univ. of Molise)
- A.A. 2017-2018 • *Statistics for tourism* (6 CFU), (Termoli, Univ. of Molise)
- A.A. 2016-2017 • *Statistics for tourism* (6 CFU), (Termoli, Univ. of Molise)
- A.A. 2015-2016 • *Statistics for tourism* (6 CFU), (Termoli, Univ. of Molise)
- A.A. 2014-2015 • *Statistics for tourism* (6 CFU), (Termoli, Univ. of Molise)
- A.A. 2013-2014 • *Statistics for tourism* (6 CFU), (Termoli, Univ. of Molise)
- A.A. 2012-2013 • *Statistics for tourism* (6 CFU), (Termoli, Univ. of Molise)
- A.A. 2011-2012 • *Statistics for tourism* (6 CFU), (Termoli, Univ. of Molise)
- A.A. 2011-2012 • *Demography* (6 CFU), (Campobasso, Univ. of Molise)
- A.A. 2010-2011 • *Statistics* (6 CFU), (Termoli, Univ. of Molise)
- A.A. 2010-2011 • *Demography* (6 CFU), (Campobasso, Univ. of Molise)
- A.A. 2009-2010 • *Statistics* (6 CFU), (Termoli, Univ. of Molise)
- A.A. 2009-2010 • *Tourism Statistics* (6 CFU), (Termoli, Univ. of Molise)

A.A. 2008-2009 • *Statistics* (6 CFU), (Termoli, Univ. of Molise)

A.A. 2005-2006 • *Demography*, (Univ. of Cassino (FR))

A.A. 2004-2005 • *Statistics* (3 CFU), (Campobasso, Univ. of Molise)

### Postgraduate

A.A. 2010-2011 • *Demography & Social Statistics* (4 CFU), (Campobasso, Univ. of Molise)

A.A. 2009-2010 • *Demography & Social Statistics* (4 CFU), (Campobasso, Univ. of Molise)

A.A. 2008-2009 • *Population Dynamics* (4 CFU), (Campobasso, Univ. of Molise)

A.A. 2004-2005 • *Advanced Statistics* (3 CFU), (Campobasso, Univ. of Molise)

### Other (Master Programmes and Professional Courses)

A.A. 2009-2010 • *Survival Analysis* (Master in “Fonti, Strumenti e Metodi della Ricerca Sociale”, Univ. of Rome “La Sapienza”)

A.A. 2008-2009 • *Survival Analysis* (Master in “Fonti, Strumenti e Metodi della Ricerca Sociale”, Univ. of Rome “La Sapienza”)

2008 • *Statistical Data Analysis* (Parco Scientifico e Tecnologico del Molise “MOLISEINNOVAZIONE”)

### Assistant professor

A.A. 2010-2011 • *Basic Demography* (6 CFU), (Univ. of Rome “La Sapienza”)

A.A. 2009-2010 • *Basic Demography* (6 CFU), (Univ. of Rome “La Sapienza”)

A.A. 2008-2009 • *Demography* (4 CFU) and *Demography II* (5 CFU), (Univ. of Rome “La Sapienza”)

A.A. 2007-2008 • *Demography* (4 CFU) and *Demography II* (5 CFU), (Univ. of Rome “La Sapienza”)

A.A. 2006-2007 • *Demography* (4 CFU) and *Demography II* (5 CFU), (Univ. of Rome “La Sapienza”)

---

## **MAIN RESEARCH INTERESTS**

---

- Statistical Data Editing and Imputation.
- Mortality and longevity. Differential mortality.
- Centenarian Studies.
- Spatial Analysis.

- Population and Environment.
- Demographic Dynamics and welfare systems.

---

### AFFILIATIONS

---

Member of:

- International Union for the Scientific Study of Population (IUSSP)
- European Association for Population Studies (EAPS)
- Italian Statistical Society

Member of the Editorial Board of the population journal *Genus*

Member of the Editorial Board of the *European Journal of Population*

---

### RESEARCH PROJECTS PARTICIPATION

---

- Research project “Sardinia longevity island: life courses, reproductive and familial transmission of longevity” under the supervision of Prof. G. Caselli.
- Research project CER-CNEL “Modello previsionale della spesa pensionistica italiana” under the supervision of Prof. S. Ginebri.
- Research project “Longevity and health: socio-economic and territorial differences among Italian regions” under the supervision of Prof. G. B. Sgritta.
- Research project “Living conditions of Italian population from 1861 at present” under the supervision of Prof. G. Vecchi.
- Research project “Familial determinants of Sardinian longevity: a genealogic approach” under the supervision of Prof. G. Caselli.
- Research project “Transition sanitaire et causes de décès dans les pays développés”, on the following theme “Analyse de la géographie de la mortalité par causes en Russie”, under the supervision of Dr. France Meslé.
- Research project on “Demographic Analysis of Sardinian Longevity”, ex-Subcontract 03-SC-NIH-1027, financed by Duke University of Durham, N.C., under the supervision of Prof. G. Caselli.
- Research project on “Analysis of Sardinian Mortality”, financed by Max Planck Institute for Demographic Research, Rostock (Germany), under the supervision of Prof. G. Caselli.
- Research project “Territorial aspects and relations between population and the environment” at the Institute for Population Research (IRP-CNR), directed by Prof. G. Gesano, under the supervision of Dr. M. Misiti.
- Research project on “Socio-demographic factors and the future of the welfare state in Italy”, CofinResearch 1998, under the supervision of Prof. G. Caselli.
